LOCAL & GENERAL NEWS.

No Rifle drill to-night.

The Hawaiian Band will play at
the Queen's Hospital to-morrow
afternoon, at 3 o'clock.

On account of the ward meetings
to-night there will be no meeting of
the Debating Club.

An Wino, a big fat Chinaman, was
sent on the reef for four months this
morning, for keeping a disorderly
house.

The Chamber of Commerce met
this forenoon, and adjourned without
completing any business until 1
o'clock this afternoon.

A PAINTING of several native
bathers in a pool, taken from a pho-
tograph, by Mr. A. W. Bolster, is on
exhibition at King Bros.

Mr. F. A. Schaefer and Mr. H. G.
Glade, Consuls for European powers,
visited the U. S. S. Omaha this morn-
ing, and received the customary
salutes.

The German bark Printenberg,
which arrived yesterday, 69 days
from Hongkong, brought, besides a
quantity of merchandise, 22 Chin-
amen and 2 women. The passengers
have been placed in quarantine.

CAPTAIN Larsen with a squad of
police men raided the notorious "blue
gate" the other evening, and though
some of the birds had taken wing, the
keeper was successfully nailed and
found guilty of selling liquor without
a license, and fined \$150.

THE JURY—Messrs. E. R. Hendry,
Thos. E. Wall and J. H. Black, called
by Deputy Marshal Hopkins, at the
request of Mr. Wales, to hold an en-
quiry into the cause of the Central
House fire on July 21st, returned a
verdict yesterday afternoon, to the
effect that the fire arose from acci-
dental causes—from the galvanized
stovepipe connected with the kitchen.

At the meeting of the Portuguese
Company of the Honolulu Rifles at
the armory last evening, the boys,
about 40, were treated to ice-cream
and soda water. When the voice of
the company was called as to their
choice of Colonel nearly every
man stood for Mr. V. V. Ashford.
Mr. Ashford appeared towards the
end of the meeting and addressed the
company.

Mr. A. M. Hewett, news agent,
stationer, and bookseller, Merchant
street, has on sale a variety of useful
and standard works, besides a stock
of new and popular novels. Among
the standard works is Cushman's
"Law and Practice of Legislative As-
semblies." For a copy of this book,
useful to everybody and indispensa-
ble to members of the Legislature
and chairmen of meetings, the BUL-
LETIN is under obligation to Mr.
Hewett.

In passing the store of Mr. Mc-
Inerney one cannot help admiring the
elegant display of goods in the var-
ious lines now being set out. Among
the choice variety will be seen the
famous Balbriggan hosiery in ladies',
gents', misses' and children's goods,
for which the house are the special
agents here. A look at these win-
dows will do any one good, even if
they are not in a buying mood. We
advise the public to pause and exam-
ine this fine display.

A CARD.

To the many gentlemen who have
requested me to become a candidate
for the vacant position of Noble for
the Island of Oahu, to be filled by
special election to be held Aug. 22,
I will say that I will be a candidate,
subject to the decision of the reform
party convention to be held Satur-
day evening, Aug. 11th, 1888.

W. C. WILDER.

JUST THE THING.

In a warm climate like this, where
one's underclothes stick to a fellow
like a porous plaster and pretty gen-
erally burst or give way when ath-
letic attitudes are taken, garments
which allow the greatest freedom
and ease of motion are needed. Mr.
M. Goldberg, being alive to the
above fact, has imported a sample
lot of jeans, nainsook, linen and Can-
ton flannel patent elastic seam draw-
ers. The seams only of these draw-
ers are elastic, and though they
contain no rubber, their elasticity
wears longer than other portions of
the garment. These elastic seam
drawers conform to the position of
the wearer without strain, no matter
what attitude the body assumes, and
for comfort, especially in walking,
they are excellent.

SACHS' SALE.

The prices of the entire stock has
been marked down to cost and even
below cost. The object is to clear
out as much of the stocks as possi-
ble, so as to make room for new
stocks. Mr. Sachs leaves for the
Coast on the next steamer, and will
return with an immense new stock.
Judging from the crowded store the
bargains must be bona-fide. Mr.
Sachs has but one clearance sale a
year and always makes the prices an
object. Everything is marked in
plain figures. In the gents' under-
wear and white shirts departments
the prices are almost half of what
they have been. Ladies and gen-
tlemen would do well to pay a visit to
this establishment as early as possi-
ble.

59TH DAY.—Aug. 8th.

MORNING SESSION—CONTINUED.

ORDER OF THE DAY.

Consideration of the Appropria-
tion Bill in Committee of the whole.
The President read a list of items
defeated, which he thought the com-
mittee could act upon.

The House went into committee
of the whole, Rep. C. Brown in the
chair.

Permanent settlement on Juo. O.
Dominis, \$3,600. The item provoked
some discussion.

Rep. Nakaleka moved the indefi-
nite postponement of the item for
the reason that was stated when the
bill to abolish the office of Governor
was acted upon, that the office was
a useless one, and was an extra ex-
pense to the government. He con-
sidered the bill introduced by the
Minister of Finance to appoint per-
manent assessors and collectors only
a younger brother to the bill to
abolish the office of Governor, as
they are to perform the duties of
Governor. If Governor Dominis is
the worthy man that the Minister of
the Interior says he is, then make
him a permanent assessor or col-
lector of some district, and then he
can receive pay.

Rep. Paehaole spoke in favor of
indefinitely postponing the item, on
the ground that the House had al-

granting pensions, when they killed
a motion by him to grant a perma-
nent settlement on an old school
master on Molokai, who had been in
the service of the government for
36 years.

Noble Smith spoke in favor of the
pension and hoped it would pass as
the bill.

Rep. Kamaoia spoke in favor of
deferring action on the item until he
could bring in a bill on the subject,
of which he had given notice. He
thought it was not treating him
with the courtesy that he deserved,
by taking action on this matter now
and thus choke off his bill.

The ayes and noes were called on
the motion to strike the item out of
the Appropriation Bill.

Ayes 16; noes 22.

The item passed as the bill.

MORNING SESSION.

The House opened at 10 a. m.,
President W. R. Castle in the Chair.
Roll called and absentees noted.

REPORTS OF COMMITTEES.

Noble Richardson reported from
the special committee to whom was
referred the bill relating to the pro-
tection of young fish, recommending
a new section in place of Section 1
in the bill making it an offence to
take any young fish under 4 inches
in length. With this amendment
they recommend the passage of the
bill.

The report was received and laid
on the table to be considered with
the bill.

Rep. Kawanui reported from the
Printing Committee two bills ready
for distribution.

RESOLUTIONS AND BILLS.

Noble Richardson asked the Min-
ister of Foreign Affairs the follow-
ing questions:

1st. Has any complaint been made
by the Japanese Government through
its representative, as to the Japan-
ese being excluded from the right to
vote for representatives to the Leg-
islature?

2d. If so, what answer has been
returned to such complaint?
